REQUEST TO CORRECT INTERNATIONAL APPLICATION NUMBER

COMMISSIONER FOR PATENTS
Alexandria, VA 22313

SIR:

It has come to our attention that the International Application on the Electronic Acknowledgement Receipt is incorrect. Specifically, the International Application Number should be PCT/JP06/318095, as evidenced on the attached form PCT/RO/105. However, on the Electronic Acknowledgement Receipt, the International Application Number was shortened, due to a formatting error in the EFS-Web software, requiring an International Application number to be in the format PCT/CCYY/12345. Accordingly, the applicant requests that the International Application Number be corrected for this application.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
